ARTICLE I RECOGNITION

The Monroe Township Board of Education, hereafter called the Board, recognizes the Monroe Township Education Association, NJEA, hereafter called the Association as the sole and exclusive bargaining agent for professional staff except the superintendent and assistant superintendents, principals, and assistant principals and any supervisor having the power to hire, discharge, discipline, evaluate or to effectively recommend the same, and substitutes, pursuant to NJSA, Title 34, Chapter 123, PL1974.

ARTICLE II NONDISCRIMINATION CLAUSE

- 2: 1 The parties agree to follow a policy of nondiscrimination against any employee on the basis of race, color, creed, age, national origin, sex, marital status or membership, participation in or lack of participation in, association with or lack of association with the activities of any employee organization.
- 2: 2 Employees shall be entitled to full rights of citizenship as granted under Federal and State Laws. No religious or political activities of any employee or the lack thereof shall be grounds for any disciplinary action or discrimination with respect to the employment of such employees.
- 2:3 The private or personal life of any employee is not within the appropriate concern or attention of the Board except when there is violation of law or an action that is definitively detrimental to the operation of the school system.

ARTICLE III GRIEVANCE PROCEDURE

3: 1 Definitions

- 3: 1.1 A grievance is a complaint that there has been a violation or misinterpretation of any provision of this Agreement.
- 3: 1.2 The term 'grievant' shall be considered to include any individual unit member, a group of unit members, or the Association. The individuals involved shall be specified when the Association is the grievant.

3. 2 Time Limits

- 3: 2.1 A grievance shall be initiated in writing within thirty (30) calendar days of the event. If the grievant could not have reasonably known of the event, the initial time period shall commence from the point at which he/she could have known. Failure to file timely in one (1) instance shall not preclude filing on a similar issue which occurs subsequently.
- 3: 2.2 a. Failure of the administration involved at any step of this procedure to communicate a decision or hold a grievance meeting within the specified time limits shall permit the aggrieved to proceed immediately to the next step.

- b. Failure of the Association to follow the timelines specified herein shall constitute a forfeiture of the grievance.
- 3: 2.3 The time limits specified at any step may be extended in any particular instance by mutual agreement between the Association and the superintendent. Such extensions must be in writing and signed by the parties.
- 3: 2.4 Grievances occurring after May 20 may be timely filed until September 15.
- 3: 3 **Informal Level**

An informal attempt may be made to resolve any complaint by discussion between the grievant, the Association representative and the appropriate supervisor or administrator before the difference becomes a formalized grievance. Such informal attempt shall not circumvent the time limits specified in Section 3:2.1 of this Agreement.
- 3: 4 **Formal Levels**

Grievances shall be presented and adjusted in accordance with the following procedures.
- 3: 4.1 **Step One** - A grievance shall be presented in writing through or by the authorized Association representative to the building principal. The principal shall within ten (10) calendar days after receipt of the grievance meet with the grievant and the authorized Association representative in an effort to adjust the matter to the satisfaction of all concerned. The principal shall make a decision and communicate it in writing to the grievant and the authorized Association representative within twelve (12) calendar days of the date he/she initially received the written grievance. Step One of the grievance procedure shall be bypassed when a grievance occurs which affects two (2) or more buildings or when a grievance occurs in a building in which there is no principal. Such grievance shall commence at Step Two by the Association who shall identify each individual on whose behalf the grievance is filed. A copy of such grievance shall also be signed with each Step One administrator in the building(s) affected.
- 3: 4.2 **Step Two** - The decision of the building principal may be appealed in writing to the superintendent within ten (10) calendar days after its receipt by the grievant and the authorized Association representative. The superintendent shall within seven (7) calendar days after receipt of the appeal meet with the grievant and the authorized Association representative in an effort to adjust the matter to the satisfaction of all concerned. (If another meeting(s) is deemed necessary by the superintendent, then an additional seven (7) calendar days shall be provided.) The superintendent shall within fourteen (14) calendar days of receiving the written grievance (or fifteen (15) calendar days if a second meeting is held) make a decision and communicate it in writing to the grievant and the authorized Association representative.
- 3: 4.3 **Step Three** - Within seven (7) calendar days after the receipt of the decision of the superintendent, an appeal in writing may be made by the grievant to the Board. Representatives of the Board shall hold a hearing within fifteen (15) calendar days of the receipt of such notice of appeal and shall render a decision in writing to the grievant and the authorized Association representative within fifteen (15) calendar days of receiving the written appeal.
- 3: 4.4 **Step Four** - Within fifteen (15) calendar days after receipt of the decision of the Board, an appeal may be made by the Association to the Public

Employment Relations Commission (PERC) for arbitration under its rules. Both parties agree to abide by PERC rules and procedures in the selection of an arbitrator. The decision of the arbitrator shall be final and binding upon the parties, but the arbitrator shall have no authority to add to, subtract from or modify this Agreement.

3: 5 Costs

The fees and expenses of the arbitrator shall be shared equally by the two parties.

3: 6 General Provisions

- 3: 6.1 It is expected that meetings held under this procedure will be conducted outside of school hours and at a place which will afford an opportunity for all persons proper to be present. "Persons proper to be present," for the purposes of this section, is defined as the grievant, the authorized Association representative, and qualified witnesses. In the event meetings are held during school time, by mutual consent, none of the persons proper to be present shall suffer any loss of pay and shall be provided class coverage.
- 3: 6.2 The Association shall be immediately notified when a grievance hearing is scheduled beyond the informal step and shall have the right to be present at all such hearings.
- 3: 6.3 All parties and employees shall cooperate in the investigation of grievances.
- 3: 6.4 The filing or pendency of any grievance shall not impede the normal management and continuing operation of the educational process.

The school district, in compliance with the state law and this Agreement, will deduct from such employees' pay a representation fee equal to 85% of the amount set for Association members. The amount of total dues set for Association membership shall be at the sole determination of the Association and is to be paid by payroll deduction.
 - b. The Association agrees to establish and maintain a Demand and Return system according to PL1979, c477.
 - c. It is agreed by the parties to this Agreement that the Board shall have no other obligation or liability, financial or otherwise, (other than set forth herein) because of actions arising out of the understandings expressed in the language of this Article. It is further understood that once the funds deducted are remitted to the Association, the disposition of such funds thereafter shall be the sole and exclusive obligation and responsibility of the Association.
 - d. The Association shall indemnify and save the Board (and administration) harmless against any and all claims, demands, suits or other forms of liability including reasonable legal and/or representation fees resulting from any of the provisions of this Article or in reliance on any list, notice or assignment furnished under this Article.

- 4: 6.3 The Board shall provide the opportunity for the teachers from all buildings to collaborate with the administration in the planning of in-service workshops.
- 4: 6.4 Each building principal will meet monthly at a time of mutual convenience with a representative of the Association for the purpose of discussion on matters concerning the administration of this Agreement. These meetings are not to be considered as negotiations and any conclusion arrived at as a result of such meetings shall not conflict with the collective bargaining agreement.
- 4: 6.5 Any proposed changes in rules, regulations, and/or policy affecting working conditions must be negotiated between the Board and the Association in accordance with NJSA, Title 34, Chapter 123, PL1974.

- 5: 2.3 Teachers shall not be mandated a prescribed, inflexible framework or methodology. It is further assumed that constructive criticism or help offered a teacher is both a duty and a responsibility laid upon the principal and/or supervisory staff by the School Board and the superintendent in order to help in the professional growth and competence of the teacher involved. This action, when necessary, must not be interpreted as discipline or reprimand.

5: 3 **Assignments**

- 5: 3.1 An involuntary assignment shall be made only after a meeting between the teacher involved, the superintendent, and the principal or principals of the schools involved at which time the teacher shall be notified of the assignment.
- 5:3.2 The Board agrees that teachers shall receive their assignments for the next school year prior to the last day of school. Changes required after this date will be mailed to their file address.

- 5: 3.5 Academic preparation in the high school or other fully departmentalized grade(s), but excluding special education classes that are self-contained, shall not exceed four (4) in number, except on a voluntary basis.
- 5: 3.6 When a teacher relinquishes a preparation period, he/she shall be compensated at the rate of **\$25.00** per class coverage for the 2002-2003 school year, **\$26.00** for the 2003-2004 school year, and **\$28.00** for the 2004-2005 school year.
- 5: 3.7 Elementary preparation periods shall be scheduled at an average of 200 minutes per whole week. No block of time less than thirty (30) minutes in length will be used to compute elementary preparation time. Beginning with the 2001-2002 school year, all regular elementary classroom teachers will have a daily preparation period. This procedure will continue unless such scheduling cannot be accomplished within the confines of the current staffing levels or adversely impacts the Board's ability to implement new or revised programs, in which case the parties shall meet and negotiate in good faith. Preparation time in the high school and other fully departmentalized grade(s), but excluding special education classes that are self-contained, shall be guaranteed at one (1) period per day per teacher.

- 5: 3.8 Every teacher assigned to the high school or other fully departmentalized grade(s), but excluding special education classes that are self-contained, shall normally have five (5) teaching periods per school day.

- 5: 3.9 Teachers who have six (6) preparation periods per week shall not be compensated for the loss of a single preparation period to cover a class during that week.
- 5: 3.10 When on an occasional basis a teacher is required to cover a sixth class and loses a preparation period, his/her duty period shall still be covered by that teacher.
- 5: 3.11 Teachers who are relieved of a duty period to cover a class on an occasional basis shall not be compensated. If a teacher loses a preparation period to cover a class but is then relieved of a duty period, that teacher shall not be compensated.
- 5: 3.12 Elementary teachers will be scheduled for a maximum of two periods per month in the technology lab, as long as the lab is in existence. These scheduled periods may or may not be utilized by the classroom teacher pending his/her strategy to implement the approved curriculums.

These materials shall always be available for substitutes in a teacher's absence.

5: 6 Class Interruptions

The administration in each building shall establish a given time period for normal, routine announcements.

5: 8 Evaluations and Personnel Files

- 5: 8.1 All observations and evaluations of a teacher shall be made openly and with full knowledge of the teacher. Each formal observation shall concern itself solely with the function or class observed and shall be reviewed and signed by the teacher and administrator within ten (10) school days.
- 5: 8.2 Evaluations and observations shall be signed by the teacher to signify that he/she has been given the opportunity to read the observation or evaluation report. Signatures shall not be construed to indicate agreement with or acceptance of the observation or the evaluation.
- 5: 8.3 If a teacher is dissatisfied with an observation or evaluation, he/she may make a written statement of response, within thirty (30) days except that if a grievance has been filed, the time limit will be extended to fifteen (15) days beyond the resolution of the grievance, and have it permanently attached to the observation or evaluation and made part of the permanent file.
- 5: 8.4 The evaluation of teachers shall be in accordance with the guidelines developed by the State Department of Education. Teachers shall be informed of the district's evaluation policy and procedures at the beginning of each school year, and new teachers shall be so informed in writing at the time they receive their initial assignment.
- 5: 8.5 The district shall continue not requiring teachers to submit to video tape or electronic evaluation or observation.
- 5: 8.6 No teacher will be disciplined, reprimanded, reduced in rank or compensation without just cause. It is further assumed that constructive feedback or help offered a teacher is both a duty and a responsibility laid upon the principal and/or supervisory staff by the School Board and the superintendent in order to help in the professional growth and competence of the teacher involved. This action, when necessary, must not be interpreted as discipline or reprimand.
- 5: 8.7 No material derogatory to a teacher's conduct, service, character or personality shall be placed in his/her personnel file without just cause, and the teacher shall have an opportunity to review the material. The teacher shall acknowledge that he/she has had the opportunity to review such material by affixing his/her signature to the copy to be filed with the express understanding that such signature in no way indicated agreement with the contents thereof. The teacher shall also have the right to submit a written answer to such material and his/her material shall be reviewed by the superintendent or designee and attached to the file copy within forty-five (45) days except that if a grievance had been filed, the time limit will be extended to fifteen (15) days beyond the resolution of the grievance.

 - e. No student shall be granted access to personal teacher information including paychecks, evaluations, address, phone number, etc.
- 5: 8.9 A teacher and his/her methods shall not be criticized in the presence of a student, member of the public, or other member of the teaching staff by any administrator without justifiable, substantive reasons.
- 5: 8.10 If any complaint regarding a teacher is made to the administration which is used in a written evaluation or disciplinary hearing, appropriate disclosure will be made as to the complaint sufficient to afford the teacher the opportunity to respond to such charges. If the charge is unjustified, the charge shall be removed from the file.
- 5:9 **Meetings**
- 5: 9.1 a. The Board agrees that regular faculty meetings shall be limited to a maximum of two (2) per month per building and shall be limited in length to forty-five (45) minutes from the end of the workday, except in the high school where the 45 minute meeting will start no later than 15 minutes after the end of the workday. Every attempt will be made to plan faculty meetings on designated days in each building at least seven (7) days in advance. However, due to emergencies, special arrangements will be made through the building principal and the building representative. Pay day will be avoided as a faculty meeting day.
- b. In any building in which two (2) meetings were held in a given month, then one (1) additional meeting may be held in that month only for a bona fide emergency reason provided that the superintendent or assistant superintendent has informed the Association president or building representative of the necessity for such a meeting.
- 5: 9.2 The Board agrees that required teacher attendance shall be limited to a maximum of three (3) evening meetings per year for the purposes of parent conferences (2) and open house (1). For the term of this agreement, teachers may leave after all buses have been dismissed on evening conference days, provided that all scheduled parent meetings are reasonably distributed among the assigned days and are a minimum of 15 minutes each.

5: 11.2 A teacher will be consulted prior to the promotion of a student by the administration when this promotion is in conflict with the teacher's recommendation for retention.
